

22 February 2023

Dear Valued Client

We trust you had a happy, healthy and prosperous start to 2023.

As Plexus Wealth continues to grow, thanks to the support of both our existing and new clients, **our Durban office is moving to new premises**. We have vacated our current office in *100 on Armstrong* and **will move into our new space during February 2023**.

This not only allows us to accommodate a growing staff complement, but also ensures easier accessibility for clients and more reliable back-up power sources. Of course, the new offices are better in other aspects too.

As with any move, there tends to be a lot of preparation before we can settle in the new premises. Load shedding adds another challenge too. That said, we envisage minimal business interruptions and are doing our utmost to keep our telephone lines up and answered. If there are any gaps, please feel free to call us on our cellphone numbers, try again later in the day or email us on [info@plexuswealth.co.za](mailto:info@plexuswealth.co.za). We will attend to your needs as soon as possible thereafter.

**Our new address will be:**

3<sup>rd</sup> Floor, Mayfair On The Lake  
5 Park Lane  
Parkside  
Umhlanga Ridge, 4319

We look forward to seeing you at our new Durban offices from March 2023.

Thank you for your understanding and patience.

Kind regards

*J Barnett*

**James Barnett**  
**CEO: Plexus Wealth**

*PS - Please note that all our other office addresses remain the same. Only our Durban office address is changing due to our expansion.*
